Dear Coordinator,

Please receive the following letter as a formal request for University College London (Beneficiary, UCL) to discuss, on the occasion of FIN-TECH First Management Board meeting in Padova (Italy), on Feb 1st, the inclusion of UCL Business PLC (UCLB) as UCL Third Party.

By calling on Section 8.3.2 of the approved Consortium of Agreement, UCL requests the addition of UCL Business PLC to the Attachment 3 of the mentioned Consortium of Agreement.

UCL B is UCL Technology transfer company and the ability to transfer our results to UCL B is essential to exploit our results from the action.
