

WP7, Questionnaire, June 24th, 2020

0) Partner name: WU Vienna University of Economics and Business (WU)

1) # of Suptech workshops organized (break down by BDA and AI): 3 BDA (one full-day and two half-days), 4 AI (four half-days).

2) Total # of participants and # of feedbacks in all your workshops organised: BDA: 14+11=25 participants. AI: 38+40=78... in total 93 employees from the Austrian FMA! No official form feedback could be retrieved - see 3.

3) Partner feedback (based on form AND as text file) for all your Suptech workshops organised delivered (yes or no): No, see 6. Unfortunately, the Austrian FMA refuses to use a feedback system operated by a German Fin-Tech startup. See 4 for the AI found in directory 03-*

4) Supervisors' feedbacks delivered? (answer separately for BDA and AI): yes, submitted for BDA and AI. For BDA and AI in the format template provided by the project and for AI reported in the format converted from the feedback system of the FMA.

5) # of industry feedback reports collected: 0.

6) Extra feedback provided? (yes or no): No.
