Dear Sir/Madam,

We have been approached by SIA "Tilde" (Reg. We understand that the research team is proposing us to develop a state-of-the-art innovative and research based education program in the areas of Artificial Intelligence, Blockchain, Cryptocurrencies, Cybersecurity, Financial Data Science, Marketplace lending, RegTech and/or Robot Advisory that our staff and staff from FinTech companies invited by us could take free of charge. This education program will be developed on demand and delivered on-site by our respective network of partners, funded by the Call.

We highly endorse such knowledge transfer from established academic centres of excellence to start up FinTech companies and public service bodies like us and can confirm that we are very interested in participating and benefiting from the proposed educational program.

We expect this educational program to enhance our knowledge and resulting ability to serve the public and commend you for your call for research on this subject matter. We are hereby

confirming that we are happy to assign the necessary time in the proposed education program, and also participate in the project related workshops when possible.

Yours sincerely,
